## Promote the Vote Awards Ceremony

Today's the big day for us to honor our winners from around our great state! We are very excited to meet all of the winners and their guests. We have a special surprise for the teacher's of our winners so we hope that everyone involved is able to attend.

I will be posting the pictures of each of the winners receiving their award with Secretary Hosemann in the weeks that follow the event on our website ([www.sos.state.ms.us/ptv](http://www.sos.state.ms.us/ptv)).

If you have any questions regarding the ceremony please don't hesitate to call me at 601-359-6350.
